Type of Interview: In-Person

Date of Interview: February 28, 2002

On February 28, 2002, the WITNESS was interviewed at her residence by (b) (4) of Tri-State Enterprise. The WITNESS was interviewed as part of the potentially responsible party search currently being conducted under Work Assignment NO. ES-002 involving the Lower Darby Creek Area, Delaware County, PA (the "Site"). This interview focused on the Folcroft Landfill (Folcroft). The WITNESS was provided with a copy of the letter of introduction, advised of the nature of the questions to be asked and advised that the interview was voluntary. The WITNESS advised that she is not represented by an attorney in this matter and did not want an attorney. No other persons were present and this interview was not tape-recorded.

During the course of this interview, the WITNESS responded to questions based on guidelines provided by the United States Environmental Protection Agency for private citizens.

The WITNESS was shown a map of the Site and this map was used throughout the interview.

The WITNESS was asked to explain her association with the Site.

The WITNESS stated that she lived at (b) (6) from (b) (6). The WITNESS indicated that (b) (6) was the leader of a group of Folcroft residents that were vehemently opposed to the types of waste that were being disposed of at the Folcroft Landfill and the general operation at Folcroft.

The WITNESS stated that (b) (6) organized protests at the entrance to the Folcroft Landfill on numerous occasions. The WITNESS stated that the initial concern expressed by (b) (6) was that radioactive waste was being buried at Folcroft. The WITNESS stated that this waste was generated by Crozier Hospital and Taylor Hospital.

When asked if she had observed this waste being disposed of on the Folcroft Landfill, the WITNESS stated no. She indicated that she was very young during the time the Folcroft Landfill was actively operating. She indicated that (b) (6) and (b) (6) had told her about the radioactive waste.

(b) (6)

The WITNESS stated that (b) (6) had made numerous canoe trips on the Darby Creek and some of the smaller creeks in the Folcroft Landfill area. The WITNESS stated that (b) (6) took these trips to observe and take photographs of the dumping at Folcroft. The WITNESS stated that these photographs are in her possession and have been stored in several cartons. She agreed to retrieve these photographs and give them to the USEPA.

When asked the names of other individuals that might have relevant knowledge of waste disposal practices at the Folcroft Landfill, the WITNESS provided the following.

- (b) (6) The WITNESS stated that (b) (6) is (b) (6) her and that (b) (6) (b) (6) accompanied (b) (6) on numerous occasions when she took photographs of Folcroft activities.
- Steve Weems: The WITNESS stated that Steve Weems lived in a (b) (6) the (b) (6) and that he operated a bulldozer at the Folcroft Landfill on a periodic basis.

The WITNESS stated that (b) (6), was a Folcroft building inspector in the mid-1960s and had inspected the Folcroft Landfill. However, she stated that (b) (6) has passed away.

"I declare under penalty of perjury that the foregoing is true and correct."
